MEMORANDUM FOR: Mr. Bannerman

Mr. []

Colonel White telephoned on 2 January to confirm that he had set up a Deputies' Meeting for 9 January for the purpose of having presented to them the Take Stock Plan. Colonel White wished to emphasize that the proposal is not his but that of the DD/S and Mr. [] and that he intends to do no more than introduce them to present the proposed plan. He has invited a few extra participants for this presentation -- they include Mr. Bross and Mr. John Clarke. He anticipates that there will be numbers of questions raised by the briefees.

I mentioned again that we could not get to Mr. [] until next Monday since he had taken his family out of town. Colonel White felt that there should be ample time to prepare the briefing since the subject is one on which Mr. [] had done all of the basic work.
